MEMORANDUM FOR THE RECORD

FROM : [REDACTED]
Assistant Legislative Counsel

SUBJECT : Senior Intelligence Service (SIS)

1. The undersigned received a call from Mr. Dick Fogel, GAO Senior Service T.F. regarding our SIS program. Mr. Fogel, who had previously been in contact with our SIS Support Staff asked several questions concerning the details of our program. The motive behind his questions was that GAO is currently formulating their own senior service and are polling other agencies for ideas. (U/IUO)

2. After consulting with [REDACTED] Chief, CIA, SIS/Support Staff, I responded orally to Mr. Fogel's questions. He stated that he was appreciative of our cooperation and would relate our comments to the other members of the GAO Task Force charged with this responsibility. (U/IUO)
